Practical Application of the FIDIC 2017 Editions Providing Essential Contractual Know-How as to the use of these FIDIC Contracts

OVERVIEW

The 2017 2nd Edition FIDIC Conditions of Contract whilst based upon the 1999 1st Edition Contracts are substantially changed, with an increase in text of 80% and much of the retained 1999 Contract Text amended.

Because of these changes, ECV has created a new course that will enable delegates to understand how these changes affect the use of the Contracts. The course is designed in typical ECV style, to be very interactive between the tutor and the delegates. Work exercises are used in each of the courses 8 sessions. The course will concentrate on the Red & Yellow Books but reference will be made to the Silver Book.

Knowing the 1999 Contracts is helpful but the 2017 editions may be considered as new Contracts requiring independent study which this course provides.

SEMINAR TUTORS:

David Heslett BSc (Hons), C.Eng, FICE

Marcus Theil Dipl.-Ing., C. Eng.

Jim Maclure M.Sc., C.Eng, FICE

The tutors are provided by ECV Consultancy Ltd (ECV) and CCM Austria.

ECV specialises in training and management consultancy to the international construction and infrastructure industries. The ECV tutors have provided training courses in 90 countries involving over 30,000 professionals' worldwide since 2000. CCM Austria specialises in contract and claims management in the construction business.

COURSE MATERIALS:

The following materials will be sent to the delegates 1 – 2 weeks before the course
